

WAND OF WONDER

DDAL00-03 Those That Came Before

Rhaugilath's efforts to record the history of the Netherese Empire sometimes incorporated some unsavory elements... such as the transmogrification of a chaos sorcerer into this elegant wand. Covered in swirls, whorls, dizzying patterns, knobs, and clicky bits, it thrums and hums in your hand.

Wand, rare (requires attunement by a spellcaster)
